- Drop off and pick up your child at the front entrance to the studio (on the Mesa side). Parents remain outside the studio to avoid congestion.
- Please attempt to ensure your child is present at each class. Try to arrive 5-10 minutes early, so we can begin promptly at 4:00. We try to have an even mix of boys and girls—so every child's presence is important. If your child must be absent or arrive late, please let me know.
